 - Cyclisch roosteren
 - Wensenplanning
 - Takenplanning
 - Unieke autoplaner
- Volledig vrij configureerbaar
- Integratie met tijdsregistratie & verloning
- Employee Self Service

Plan@SAGA Schakel tussen medewerker en beleid

Voorbeeld van een gezondheidscontrole. Vrij in te richten op ziekenhuis-, afdelings-, groeps- of persoonsniveau.

The screenshot displays the Plan@SAGA software interface. The main window shows a calendar view for February 2008, with columns for weeks (W5 to W9) and days (1 to 27). The interface is divided into several sections:

- Planning:** A grid showing employee assignments for various shifts (e.g., 19:00, 38:00) across different departments (AZN A1, AZN A2, AZN Afdelingshoosers, AZN Hoofkverpleegkundige, AZN Verpleeghulp).
- Tellers:** A summary table on the right side, listing totals for different categories like 'AZN A1 (gegruadeerd verpleeok)', 'AZN A2 (gebreveeerd verpleeok)', 'AZN Afdelingshoosers', 'AZN Hoofkverpleegkundige', and 'AZN Verpleeghulp (niet gesploneerd)'. Columns include 'STW', 'Zater dag', 'Verlof', and 'Ziek'.
- Controls:** A section at the bottom showing various control metrics and their values.

A dialog box titled 'Opgelet' (Warning) is overlaid on the calendar, displaying a warning icon and the text: 'De gezondheidscontrole 'Minimum 11u rust' zal worden overtreden. (van 8/02/2008 tot 8/02/2008). Bent u zeker dat u de planningscode voor Minimum 11u rust wilt implementen?'. The dialog has 'Ja' and 'Nee' buttons.

Plan@SAGA Voorbeeld werkplekplanning - gecombineerd

The screenshot displays the Plan@SAGA software interface, which is used for work and control planning. The main window is titled "september -Saga- HCPS *** Evaluatie copie - geldig tot 25/11/2013 *** OFFLINE ***". The interface is divided into several panes:

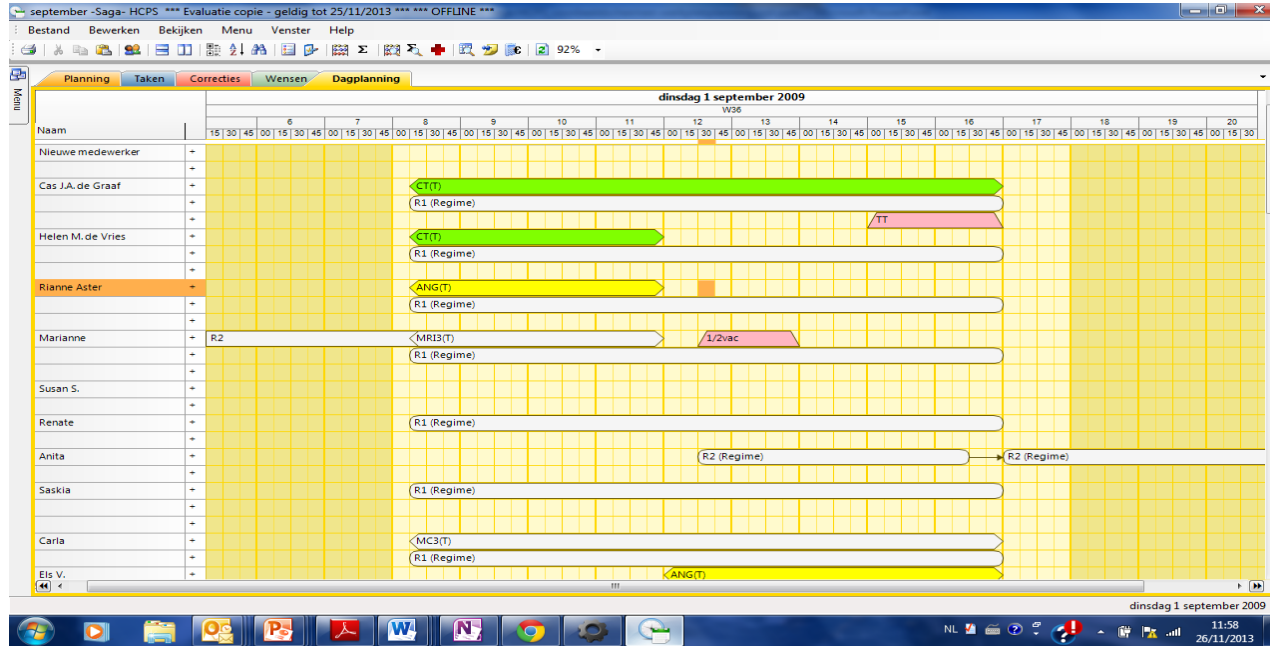

- Planning (Left):** Shows a calendar view for September 2009. It lists staff members and their assigned tasks, color-coded by task type. For example, "Cas J.A. de Graaf" is assigned to "01. Senior laborant" (red) and "02. Teamleidster" (orange).
- Taken (Middle):** Provides a detailed view of the tasks assigned to a selected staff member. It shows the task name, duration, and the specific days and times the task is performed.
- Planningscodes (Taken) (Right):** A list of planning codes used in the schedule, such as "Kamer 5. angio" (yellow), "Kamer 6. bucky" (orange), and "Kamer 1. CT" (green).
- Controles (Bottom):** A control planning grid showing the status of various control points (e.g., "Kamer 1. CT", "Kamer 2. Intern") across the days of the month. The grid uses red and blue cells to indicate control status.

The bottom of the screen shows the Windows taskbar with the date "dinsdag 1 september 2009" and the time "11:55".
